THIS IS A CONTRACT between you (either an individual or a single entity) and the owner of the Silverdiagram software ("Licensor" or "us") and covers your use of the Silverdiagram SDK libraries, related software components, and documentation (all of which are referred to herein as the "Software").

BY CHECKING THE "I ACCEPT" BOX OR BY DOWNLOADING, INSTALLING OR USING THE SOFTWARE, THE INDIVIDUAL OR ENTITY LICENSING THE PRODUCT ("YOU") ARE CONSENTING TO BE BOUND BY AND IS BECOMING A PARTY TO THIS AGREEMENT. IF YOU DO NOT AGREE TO ALL OF THE TERMS OF THIS AGREEMENT, THE CHECK BOX INDICATING "I ACCEPT" MUST NOT BE SELECTED, AND YOU MUST NOT DOWNLOAD, INSTALL OR USE THE SOFTWARE.

## 1. Software License

**1.1 License Grant.** Subject to the terms of this Agreement, licensor hereby grants to you, and you accept, a non-exclusive, non-transferable license to install, copy, use and modify the Software (as defined herein) only as authorized below. Subject to the terms and conditions set forth in this Agreement, licensor hereby grants to Licensee and Licensee hereby accepts, a limited, non-transferable, perpetual, royalty-free, sublicenseable (solely as set forth in Section 1.4 Sublicensing), non-exclusive license (the "License") to use the licensor computer software identified as Silver Diagram SDK for Silverlight and any updates, upgrades, modifications and error corrections thereto provided to Licensee (the "Programs") and any accompanying documentation (the "Documentation", together with the Programs, collectively the "Software") solely as specified in this Agreement. You are granted a Developer License with Subscription and Priority Support pursuant to Section 1.5. Any and all rights in the Software not expressly granted to You as part of the License hereunder are reserved in all respects by the licensor.

**1.2 Scope of Use.** The Software is licensed on a per-seat basis. You may only allow the number of individuals in your organization to use the Software that corresponds to the maximum number of License seats You have purchased from licensor hereunder. This means that at any given time, the number of individuals authorized to use the Software under the License (each a "Licensed Developer") cannot exceed the number of License seats that You have purchased from licensor and for which you have paid licensor all applicable License Fees pursuant to this Agreement. The Software is in "use" on a computer when it is loaded into temporary memory (i.e. RAM) or installed into permanent memory (e.g. hard disk or other storage device) of that computer for development purposes. Your Licensed Developers may install the Software on multiple machines, so long as the Software is not being used simultaneously for development purposes at any given time by more Licensed Developers than You have License seats. You are not limited by the number of License seats with respect to how many individuals within Your organization may access and use the Software for purposes

other than development (e.g., testing purposes). You may also embed copies of the Programs in your own proprietary software applications that You develop, license and distribute to Your own end-user licensees (“Authorized End-Users”), solely in accordance with the requirements set forth in Section 1.4 below.

### **1.3 Redistribution Rights.**

**1.3.1** Subject to the terms of this Agreement, You are granted a limited license to redistribute the Software solely as part of bundled software solutions for internal company use, hosted applications, commercial solutions deployed at Your Authorized End-Users sites, or shrink-wrapped software offerings in which the Software is integrated (collectively “Integrated Products”).

**1.3.2** The forgoing license to redistribute the Software is conditioned upon the following:

**1.3.3** You must ensure that the Software is not distributed in any form that allows it to be reused by any application other than your solution. Please contact [info@silverdiagram.net](mailto:info@silverdiagram.net) for any additional questions.

**1.3.4** You must prohibit Your Authorized End-Users from using the Software independently from your Integrated Products, or from decompiling, reverse engineering or otherwise seeking to discover the source code of the Software. For use of the Software in design-time (i.e. within a development environment such as Microsoft Visual Studio) your Authorized End-Users need to purchase Developer Licenses from the licensor.

**1.3.5** You must include a valid copyright message in your Integrated Products in a location viewable by Authorized End-Users (e.g. “About” box) that will serve to protect licensor copyright and other intellectual property rights in the Software.

**1.4** Sublicensing. Subject to the terms of this Agreement, You are granted a limited, non-transferable right to sublicense the Software’s use, in object code form only, solely to Your Authorized End-Users and solely in and as part of Your Integrated Products. In no event are You allowed to sublicense the Software or its use (a) in any format other than in object form, (b) as a standalone product, or (c) as a part of any product other than Your Integrated Product. Provided Your Authorized End-Users are in compliance with their license agreements with You, any sublicenses to use the Software granted by you to Your Authorized End-Users will survive any termination of this Agreement or the License set forth herein between You and licensor. You are not allowed to, and are expressly prohibited from, granting Your Authorized End-Users any right to further sublicense the Software.

**1.5** Developer License with Subscription. If You purchase a Developer License with Subscription, then, subject to the terms and conditions set forth in this Agreement, Licensor hereby grants to Licensee and Licensee hereby accepts, a limited, non-transferable, perpetual, royalty-free, sublicenseable (solely as set forth in Section 1.4 Sublicensing), non-exclusive license to install, use, include with Integrated Products and redistribute the Software in

executable, object code form only. In addition, you will receive a one (1) year update subscription that will provide you with Minor and Major Updates for the Software as well as access to certain source code for the Software.

**1.5.1 Update Subscription.** You are eligible to receive all Major Updates and Minor Updates for the version of the Software that you license hereunder and source code for the Software for a period of one (1) year from the date on which you purchase the License for the Software. Updates replace and/or supplement (and may disable) the version of the Software that formed the basis for your eligibility for the Update. You may use the resulting updated Software only in accordance with the terms of this License.

**1.5.2 Source Code for the Software.** You acknowledge that the Software's source code is confidential and contains valuable and proprietary trade secrets of licensor. You must ensure that all individuals employed by You agree to expend every effort to insure the confidentiality of licensor source code. You agree to assume full responsibility for such individuals' use, or misuse, of such disclosed source code as if it was your use or misuse. You may view, modify and use the Software's source code only as authorized below:

**1.5.2.1.** The Software's source code is provided to You and Your Licensed Developers for the sole purposes of education and enabling You to understand, at a source code level, why the Software operates as it does. You may not use the Software's source code as a basis of development of derivative works of the Software or other software products (other than as a basis for creating object code versions of the Software for inclusion as a component in Integrated Products).

**1.5.2.2.** Under no circumstances may any portion of the Software's source code or any modified version of the source code be distributed, disclosed or otherwise made available to any third party.

**1.5.2.3.** Licensor DOES NOT provides technical support for any source code that has been modified by any party other than Licensor.

**1.5.2.4.** The Software's source code is provided "as is", without warranty of any kind. Refunds are not available for any licenses that include a right to receive source.

**1.5.2.5.** Pursuant to Section 1.5.2.1, you are not permitted under this Agreement to modify the source code for the Software. However, if you disregard this prohibition and develop any troubleshooting-related modifications of the Software independently, or if you contact licensor for assistance with the Software and modify the source code for the Software jointly with licensor, such modifications and all rights associated therewith will be the exclusive property of licensor, and you agree to and hereby do assign all right, title and interest in and to such modifications to licensor.

## **2. License Limitations**

**2.1** At no time may the Software be used for development purposes by other individuals than the Licensed Developer(s).

**2.2** The Software may not be distributed for use with Integrated Products other than those developed by You.

**2.3** The Software may not be distributed as part of Integrated Products that are derivative works of the Software or that have the same or substantially the same primary functionality as the Software.

**2.4** You are not allowed to resell, transfer, rent, lease, or sublicense the Software and your associated rights except as provided in Section 1.4. Under no circumstances shall you grant further redistribution rights to Authorized End-Users or redistribute any source code of the Software to any third party.

**2.5** You may not use the licensor product names, logos or trademarks to market Your Integrated Product.

**2.6** You are not allowed to disassemble, decompile or “unlock”, decode or otherwise reverse translate or engineer, or attempt in any manner to reconstruct or discover any source code or underlying algorithms of Software that is provided to you in object code form only.

**2.7** You are not allowed to use, copy, modify, or distribute copies of the Software and any accompanying documents except as expressly permitted in this Agreement.

Licensor may terminate this Agreement and the License granted hereunder if you fail to comply with any of the terms and conditions of this Agreement. Upon termination of this Agreement for any reason the License granted to you hereunder shall terminate automatically and You shall immediately cease use and distribution of the Software; provided, however, that any sublicenses granted to Your Authorized End-Users in accordance with Section 1.4 shall survive such termination. You must also destroy (i) all copies of the Software not integrated into a live, functioning instance(s) of your Integrated Product(s) already installed, implemented and deployed for your Authorized End-User(s), and (ii) any product and company logos provided by Licensor in connection with this Agreement.

**4.2 Additional Termination Rights of Licensor.** Unless otherwise prohibited by law and without prejudice to Licensor other rights or remedies, Licensor shall have the right to terminate this Agreement and the License granted hereunder immediately in the event that any of the below occurs:

**4.2.1** If You materially breach any of the material terms of this Agreement, and You fail to cure such material breach within thirty (30) days of receipt of notice from Licensor of such material breach;

**4.2.2** If You breach any of the License restrictions set forth herein, or engage in, or participate with any third party in the unauthorized manufacture, duplication, reverse-engineering, distribution of any software of Licensor (including the Software), or engage in any activities prohibited by law; or

This limited warranty shall not apply to any error or failure resulting from (i) machine error, (ii) Licensee's failure to follow operating instructions, (iii) negligence or accident, or (iv) modifications to the Software by any person or entity other than Licensor. In the event of a breach of warranty, Licensee's sole and exclusive remedy and Licensor sole and exclusive obligation, is repair of all or any portion of the Software. If such remedy fails of its essential purpose, Licensee's sole remedy and Licensor maximum liability shall be a refund of the paid purchase price for the defective Software only. In any case, licensor entire liability under any provision of this agreement shall not exceed in the aggregate the sum of the license fees Licensee paid to licensor for the Software giving rise to such damages, notwithstanding any failure of essential purpose of any limited remedy. Some jurisdictions do not allow the exclusion or limitation of incidental or consequential damages, so this exclusion and limitation may not be applicable. licensor is not responsible for any liability arising out of content provided by Licensee or a third party that is accessed through the Software and/or any material linked through such content.
